ALTGELD'S CHARGES. Insists That McKinley Was Elected publicans. He says that in some preby Fraud.

In a Letter to Judge Orrin A. Carter the ex-Governor of Illinois Gives Some Significant Paci and Figures.

John P. Aligeld has written a reply to Judge Orrin N. Carter, who questioned the truth of the former governor satatements and allegations of fraud in the Notember election. When the democrats gave a reception to Mr. Aligeld at the Tremont house after his retirement from the generantorial chair the former governor made a speech in which he charged that employes had been touried and that frauds had been perpetualed to swell the list of voters for the republican party.

Accusations Summed Up.

petrated to swell the list of the republican party.

Judge Curter replied to this speech and showed errors in the former governor a computation of the votes in different party.

The judge asked Mr. Aligeld for facts this party in the charges of fraud. In those precincts where there was an astronishing increase in the vote, the republican gains are in the vote, the republican gains are in the vote, the republican gains are in the vote.

Ing of the subject the former governor recites the points raised in his speech.

Charges Again Summed Lp. He says he charged that the republican convention at St. Louis was controlled by trusts and professional lobon the restoration of silver; that the | not a large ignorant vote the increase | campaign was the most stupendous exhibition of pharisechim ever witnessed: that during the campaign there was a perfect combination between the money power, the trusts and the corporations; that these controlled the press; that they practiced varied forms of deception, corruption and terrorism for the jurpose of carrying the election, and did it in the name of patriotism; that a Examination of the facts forces the conclu-

confidence game had been practiced on the American people, and that the promises of prosperity under a gold standard were utterly lilogical and impossible of performance.

Ricgarding the votes cast Mr. Altigeld maintained that the election returns showed the negroes, purchaseable votes, the very ignorant foreign-born votes, the very ignorant foreign-born votes, the repeating fraudulent and it legal voters had supported Maj McKinker white voters supported William J. Bryan; that, even on the face of the returns, Mr. Bryan was no nearly election that about 3,,000 more votes, properly distributed, would have made him president; that after the election there had teen developed wridings of signatus and understand the more glaring the frauds appear. I am informed by people living in the south and more distributed, would have made him president; that after the election there had teen developed wridings of signatus and understand to corry elections and whitesale trained to corry elections and an election developed and the more glaring the frauds appear. I am informed by people living in the south and distributed to keep the corresponding to th

necesse anyone, but points out to Judge and erime can control the elections of America, then the has been rebbed of its glory, the down of the toler is scaled trulty in committ fraud if necessary for victory. Then be delves into figures regarding the increase of the rate in

an average of 52% men for every precinct in the state.

one or the other of the political partica, and sometimes by both. This was especially the case in 182 at the presidential election, when both parties were reasonably well supplied with money with which to hirs men to look after these matters. So thorough was this work that in many precipits over the site every legal vote was cincts over the state every legal vote was Taking the state as a whole it is

"As there are nearly 2.000 Deinets in the state this would make less than 15.000 votes, and nearty all of these were cases in which the voter was either sick or necessarily absent from home. And you must bear in mind that the number of sick or necessarily absent would be greater in 1836 than in 1932, because the population is assumed to have been greater.

"A careful consideration of all the facts have all doubtful whether there were, in the whole state, 5,00 legal voters who were not sick and not necessarily absent, who not sick and not necessarily absent, who not sick and not necessarily absent, who

not sick and not necessarily absent, who a duty of over one-thir is spite of all the solicitation of their neigh- the metal. - N. Y. World. burs and friends refused to vote in 1892, and

In explaining these 157,223 votes the former governor claims votes were benght, illegal voters were imported and money used brazenly. In Clay who purchased that produce. It is procounty, he says, prominent republicans of the foreigners out of our markets—in the name of the farmer—with the inevitable result of reducing the says from the poils. Two of the ringleaders were accessed. In Lawrence county, he says, an effort was made to buy up the judges of election, and in the township of Lukin arrangements had been made to pay them \$500. to the delight of the happy nation. Out cloth.

publicans were held to the grand jury. | poorer people are glad to get even horse in Springfield, the former governor meat to eat. Who says Hanna is not a says, 182 men were allowed to vote al- great and good man, the very purest though they were not registered. He thing in modern politics, the friend of says votes were counted in Springfield the prople and the protector of the purpose, but eare should be taken in their application as they are rather

other. He explains that the men concerned in these frauds were not prosecuted because all the officials were recinets in the state the "endless chain

republicans. "You ask whether I mean to insinucago," continues the governor, who considerable time painting

Carter Mr. Aligned has written an open hetter giving details in support of his speech at the Tremont house.

The former governor begins his letter by acknowledging the receipt of Judge frauds, as there were at least five distinct methods practiced in different sections of

writes to the judge: "You take exception to some remarks I recently made at the Tremant house is reference to the late election. Especially do you object to the charge of fraud and you ask for facts."

In order to have a clear understanding of the subject the former governor.

In order to have a clear understanding of the subject the former governor. 1892 indicating an increase in the popula-tion of about 1,00,000 people in feor years; whereas, prior to that time it had taken the state three-quarters of a century to gain 1,00,000. Manifestly there is some-thing wrong here. Several things at once become apparent on examination:

Claims Concerning Ohio. by ists; that the republican party had in "I That in the agricultural sections of tearly all its prior platforms insisted the state and in those cities where there is jopulation was only the normal increase, and the democrats made great gains.

2. That the republican gains and abnormal increase in vote was reported from those precincts and countles in which the Every day the situation is becoming regulations had the entire machinery in

Practically the entire day was consumed in the decussion of an amendment in

to build a bridge across bame river. between Low Tree and Mary Bluff. The house day afternoon ran unexpectedly in

WASHINGTON, Feb 26 - SENATE - With an apparent disregard of whether the appropriation bills, still unacted on by the senate are o be passed at the present session, or are to be relegated to the house in extra session, the nmittee amendments which were president-elect are Maj. McKinley's senate Friday by a vote of 40 to 27, laid aside the from the committee on foreign relations for the immediate and unconditional release Jose Sanguilly from a Cuban fortress. All discussion of the matter took place, bu

and determine the number of justices of the supreme court of Oklahoma, who shall consti-tute a majority of the bench and forcement of the postal laws the same powers as are pow-sessed by marshals and sheriffs in the several states. Conference reports upon the agricul-tural appropriation bill and upon the bill for the relief of settlers upon the Stoax reserva-tion in South Dakots were presented and

agreed to WASHINGTON Feb ET -- SENATE-The senate had the indian appropriation bill before it soluted the propriety of the sencriting on Sunday to cenact legislafor the people of the
States. His attention had
called to various peticreanted by heaventh as the solution of solutions and shricks

and by Mr Call in relation to the suicide or
murder of Dr. Reardo Hut. At 8 p in the
fire illuminated the landscape, and
there was a biast of shots and shricks
selection of pension bill.

Horse—Senate bill providing for the repre-

of blasts from its whistles. The flash of lights and the cheers of enthusiastic people were continuous.

Western Pennsylvania was as wide awake as eastern Ohio. There were dense crowds at Beaver Falls, Rochester and East Palestine. New Galillee and Enon. There were hundreds of children on either side of the track with rockets and roman candles and scores of bonfires

roman candles and scores of bonfires dispersed the darkness. The train stopped for six minutes in Pittsburgh. Maj. McKinley, in response to the continued cheering of a crowd which number of the measure resorted to fill bust-print the state of t tinued cheering of a crowd which num- priation bill was sent to conference bered several thousand, appeared on senate amendments to the bill to allow the the platform and bowed his acknowl-edgments.

This was repeated several times before the president-elect consented to
respond to the cries of "Speech."
Finally Maj McKinley briefly

as it passed the bouse. Haltef the amount is

as it passed the bouse. Haltef the amount is time. The general deficiency bill will be reported from committee Monday. If the debate is prolonged, as some senators appear to be content to have it, there will be good grounds for that belief that at least two of the bills may fail altogether.

Russia in Accord With Other Powers. Vienna. March 1.—The Politisch Correspondenz semi-officially denice the statement that Russia would or der Greece to recall her fleet and all

Factories Resuming. BRIDGETON, N. J., March 2.—The Pirrishunga, March 2.-Monday in Sansey Glass Manufacturing Co. put common pleas court Judge Porter another hollowware factory in blast handed down an order refusing a new Monday, making three factories now trial in the damage suit of Mark Baldin operation. The hollowware fac-tory of the East Lake Co. also went in der Ahe, the St. Louis ball magnate. Slast Monday morning after six weeks When the case was first tried Baldwin got a verdict of \$2,500. A second trial was allowed and on that the verdict for Baldwin was \$5,225.
